COURSEWORK
UNDERGRADUATE
Programming with C
Statistics for Engineer
Data Structure and Algorithm
Discrete Mathematics
Java and Network Programming
Digital Image Processing
Software Engineering
Artificial intelligence
Computer Architecture
Database Management Systems
Computer Networks
Fundamental of Cryptography
Information Theory and Coding
Web Engineering

SKILLS

Confident:
C++ | JavaScript | SQL
HTML | CSS | OOP
Familiar:
Java | React.js | Node.js
Mongodb

LANGUAGES

Bangla | English | Hindi

SUMMERY

I am a dedicated competitive programmer. I have solved around **1000+** problems on different online judges. I am a **Specialist** at **Codeforces** and **3 stars** at **Codechef**. Currently, I'm completing my BSc in Information and Communication Engineering at the University of Rajshahi.

PSD TO HTML PROJECTS
I executed PSD to HTML conversions, seamlessly translating intricate designs into responsive web pages, demonstrating proficiency in design-to-development integration.

Design-1 | Design-2 | Design-3

AWARDS
